COMMUNICATION

Sir:

Applicant previously cited several references on the PTO-1449 forms that were filed on multiple dates. The Examiner crossed out many of these references in the Supplemental Notice of Allowability mailed November 15, 2007 because the month and year were missing. A copy of the previously mailed PTO-1449 Forms are attached.

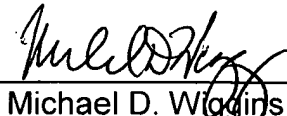

Applicant would like to have the Examiner sign off on these references and to also have these references printed on the cover of this application when it issues. Applicant submits herewith, 4 sheets of PTO-1449 Forms with the Month and Year now included.

CONCLUSION

Applicant would like the Examiner to sign off on the prior art references listed on the attached PTO-1449 Forms. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: December 6, 2007
